

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately.**

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-331-4680 or visit [uhc.com/aca-sample-policy](http://uhc.com/aca-sample-policy). For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$0	See the Common Medical Events Chart below for your costs for services this plan covers.
Are there services covered before you meet your deductible?	No.	See the Common Medical Events Chart below for your costs for services this plan covers.
Are there other deductibles for specific services?	Yes, Prescription drugs -\$1,500 Individual/\$3,000 Family, does not apply to Tier 1 drugs. There are no other specific deductibles.	You must pay all of the costs for these services up to the specific deductibles amount before this plan begins to pay for these services.
What is the out-of-pocket limit for this plan?	Network: \$7,250 Individual / \$14,500 Family Per calendar year.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See <a href="http://uhc.com/xohdocfindg2023">uhc.com/xohdocfindg2023</a> or call 1-800-331-4680 for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	Yes. An electronic referral is required to see a Network Specialist.	This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
